

PUBLIC HEALTH POLICY COMMITTEE

This document is a list of ISACo Tracked Public Health Bills that are advancing and are of interest to the Public Health Policy Committee. Each bill can be viewed by clicking the highlighted link. A complete list of ISACo-tracked bills is [available via this link](#).

[HB 4213 - HOSP ASSESSMENT REPAYMENTS](#)

Amends the Hospital Provider Funding Article of the Illinois Public Aid Code. In provisions concerning outstanding hospital assessments that are paid under a repayment plan or after the end of a tax deferral plan, provides that the period of repayment shall not exceed 72 (rather than 36) months.

[HB 4321 - FLUORIDATION LOCAL AUTHORITY](#)

Creates the Fluoridation Local Authority Act. Provides that public water providers may opt in or out of the State's fluoridation requirements without penalty from a State agency, including the Department of Public Health. Requires the public water providers to (1) publish notice of the proposed action at least 7 days before the vote; (2) allow public comment on the proposed action; and (3) post its decision on the public water provider's website or other public platform within 5 days of its decision. Limits the concurrent exercise of home rule powers. Defines "governing body" and "public water provider". Amends the Public Water Supply Regulation Act. Provides that, except as otherwise provided in the Fluoridation Local Authority Act, owners or official custodians of public water supplies shall be in compliance with optimal fluoridation recommendations for community water levels. Effective January 1, 2027.

[HB 4410 - \\$IDPH-HIV/AIDS](#)

Provides legislative findings. Appropriates specified amounts to the Department of Public Health for grants, expenses, and administrative costs of programs relating to acquired immunodeficiency syndrome and human immunodeficiency virus; the Getting to Zero-Illinois plan to end the HIV epidemic by 2030; the prevention, screening, and treatment services to address sexually transmitted infection cases; and the PrEP4Illinois Program to provide client navigation for pre-exposure prophylaxis services and medication access. Contains other provisions. Effective July 1, 2026.

[HB 4455 - HEALTH FACILITY TRANSPARENCY](#)

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health shall require any health care facility receiving State or federal funding to publish the facility's financial records on the facility's publicly accessible website at the end of each fiscal year. Effective immediately.

[HB 4579 - \\$IDPH-LOCAL HEALTH PROTECTION](#)

Appropriates \$10,000,000 from the General Revenue Fund to the Department of Public Health for local health protection grants for health protection programs. Effective July 1, 2026.

[SB 2766 - \\$IDPH-LOCAL HEALTH PROT GRANT](#)

Appropriates \$10,000,000 from the General Revenue Fund to the Department of Public Health for local health protection grants for health protection programs. Effective July 1, 2026.

[SB 2774 - SANITARY FOOD PREPARATION](#)

Amends the Sanitary Food Preparation Act. Provides that if a meal kit or ready-to-eat meal distribution facility is engaged in the collection, storage, packaging, or distribution of meal kits direct to consumers, then the local health department where a food distribution facility is located shall have the power to enforce and observe specified rules, orders, and laws. Provides that a local health department may establish and assess a fee for any inspection it conducts at meal kit and ready-to-eat meal distribution facilities if the fee for the inspection is not included in the fee for the operating license or permit. Requires meal kit and ready-to-eat meal distribution facilities to pay inspection fees within 30 days from the date of the inspection to the local health department that conducted the inspection, with non-compliance consequences and late fees. Lists requirements for temperature control, food safety inspections, food labeling requirements, delivery, and transparency. Allows the Department of Public Health to adopt rules. Defines terms.
