Executive Order 2021-30

**EXECUTIVE ORDER 2021-30**  
**(COVID-19 EXECUTIVE ORDER NO. 94)**

**WHEREAS**, since early March 2020, Illinois has faced a pandemic that has caused extraordinary sickness and loss of life, infecting over 1,735,000, and taking the lives of more than 26,000 residents; and,

**WHEREAS**, as Illinois continues to respond to the public health disaster caused by Coronavirus Disease 2019 (COVID-19), a novel severe acute respiratory illness that spreads rapidly through respiratory transmissions, the burden on residents, healthcare providers, first responders, and governments throughout the State has been unprecedented; and,

**WHEREAS**, protecting the health and safety of Illinoisans is among the most important functions of State government; and,

**WHEREAS**, the Delta variant of the coronavirus is more aggressive and more transmissible than previously circulating strains, and poses new risks in the ongoing effort to stop and slow spread of the virus; and,

**WHEREAS**, the Delta variant may cause more severe disease than prior strains of the virus; and,

**WHEREAS**, the Centers for Disease Control and Prevention (CDC) estimates that the Delta variant now accounts for more than 90 percent of all sequenced coronavirus in the U.S.; and,

**WHEREAS**, social distancing, face coverings, and other public health precautions have proven to be critical in slowing and stopping the spread of COVID-19; and,

**WHEREAS**, public health guidance advises that minimizing physical interactions between people who are not fully vaccinated and who do not reside in the same household is critical to slowing the spread of COVID-19; and,

**WHEREAS**, the CDC continues to advise that cloth face coverings or masks protect persons who are not fully vaccinated from COVID-19; and,

**WHEREAS**, the CDC advises that schools follow the CDC's guidance for COVID-19 Prevention in K-12 Schools, which recommends universal indoor masking and working with local public health officials to determine the layered prevention strategies needed in their area; and,

Licensed Day Care Center, and (2) is in close contact (fewer than 6 feet) with other persons in the Center for more than 15 minutes at least once a week on a regular basis as determined by the Licensed Day Care Center. The term "Licensed Day Care Center Worker" does not include any person who is present at the Licensed Day Care Center for only a short period of time and whose moments of close physical proximity to others on site are fleeting (e.g., contractors making deliveries to a site where they remain physically distanced from others or briefly entering a site to pick up or drop off a shipment).

- c. Licensed Day Care Centers shall maintain records regarding proof of vaccination status of all Licensed Day Care Workers who are employed by, volunteer for, perform services within or are contracted to provide services for the Center. Licensed Day Care Centers shall also maintain records regarding proof of, at a minimum, weekly COVID-19 testing compliance of all Licensed Day Care Workers who are not vaccinated and are employed by, perform services within, or volunteer for the Center. For Licensed Day Care Workers who are employed by an entity that is contracted to provide services to a Licensed Day Care Center, the employing entity is required to maintain records regarding proof of vaccination and weekly testing. Such records must be made available to the Licensed Day Center upon request.

**Part 2: Savings Clause.** If any provision of this Executive Order or its application to any person or circumstance is held invalid by any court of competent jurisdiction, this invalidity does not affect any other provision or application of this Executive Order, which can be given effect without the invalid provision or application. To achieve this purpose, the provisions of this Executive Order are declared to be severable.
