ISACo Associate Member Program **2025**

**Connect with
Illinois County Officials!**

An Invitation to Potential Corporate Partners

Established in 2018, the Illinois State Association of Counties (ISACo) is a statewide association whose mission is to empower county officials to provide excellent service to their residents. ISACo member counties are comprised of forward-thinking public servants who recognize that the challenges confronting county governments require new and innovative ideas, collaborative solutions and collective advocacy at the state and federal levels of government.

ISACo is organized exclusively for nonprofit purposes and will operate at all times in the manner contemplated by section 501(c)(4) of the Internal Revenue Code or by such other provisions of the Code that will assist ISACo to accomplish its non-profit purposes. ISACo is committed to the

highest standard of ethical conduct and transparency in the pursuit of our mission.

ISACo's Corporate Partner Program was established to provide a forum for companies and organizations to market themselves to county officials. Enclosed you will find the various sponsorship packages included within the Corporate Sponsorship Program.

Thank you for your consideration about joining ISACo's Corporate Partner Program.

Respectfully,

Joe McCoy
Executive Director
Illinois State Association of Counties
