Workshop Information

Once again, the Local Tax Allocation Division (LTAD) will be holding its annual Local Government Workshop virtually this year. The workshop will be held on June 14, 2023, from 9:00 a.m. to 12:00 p.m.

This year's workshop will focus on detailed descriptions of the various tax types and the timing of disbursements. This presentation will serve as a good refresher for experienced local government officials, but it is highly recommended that newer officials attend or view the recording at a later date.

To register, please email us at REV.LocalTax@illinois.gov with your name, title, email address, and phone number.
